

HEAR WHAT SOME PAST ENTRANTS HAVE TO SAY...

"Definition Landscape & Design has been a proud member of LQ for over a decade. We consider Landscape Queensland to be an industry partner, and an integral part of the projects that we deliver. Our team is highly motivated by challenging and rewarding projects that showcase our skills and expertise. We pride ourselves on innovative problem-solving to create stunning outdoor spaces. Our numerous award accolades over the years have validated our commitment to delivering exceptional results. We were honoured to receive the Residential Construction of the Year in 2022. This prestigious award has elevated our industry profile and recognised the hard work and dedication of our team, inspiring us to continue pushing boundaries and delivering outstanding gardens for our clients."

- Joseph Nagel, Definition Landscape & Design

"Participating in the Landscape Queensland Excellence Awards has been a fun experience, the LQ team were supportive through the entry process, and we encourage all Landscape Queensland members to consider entering. It's a great opportunity to showcase your skills, gain recognition for your hard work, and elevate your business to the next level."

- Matthew McMahon - McMahon Earth Solutions

"CBD Landscape Construction take immense pride in our involvement over the years in the Landscape Queensland Construction Excellence Awards. Winning the overall Queensland Commercial Landscape Construction of the Year Award in both 2021 and 2022 has been amazing for our business and team. We are very appreciative of receiving this significant landscape industry accolade and would commend other LQ members to enter the annual Awards Program to gain acknowledgement for their team's efforts and standard of workmanship."

- Mick Dumbrell, CBD Landscape Construction

"Participating in Landscape Queensland's Awards program has allowed Hedge Property Services to showcase our team's dedication and hard work in landscaping maintenance. As proud winners of Landscape Queensland Excellence Awards, our achievements have boosted team morale, delighted clients, and helped our business to stand out in the industry. The low cost and time investment to enter the Awards program are far outweighed by the rewards, making it a worthwhile investment for any business in the landscaping industry. We highly recommend participation to others looking to add another dimension to their business marketing strategies."

- Andrew Fisher, General Manager, Hedge Property Services

"As a relatively new member of LQ and a first-time entrant, the team at Earth Creation Landscapes didn't know what to expect. Completing the paperwork was relatively easy, and the LQ team assisted us greatly. We entered three categories and went on to win all three residential categories including the best landscape feature. Our Sunshine Beach project then went on to win the overall 2021 Queensland Residential Landscape Construction of the Year Award which was such a shock. The wins have provided an excellent reward for my hardworking team. Our clients are stoked, and we are very humbled and proud to be recognised for our efforts in the landscaping industry! We would strongly encourage other LQ members to get involved in this annual industry event – you have nothing to lose and everything to gain!"

- Stuart Bain, Earth Creation Landscapes

"Each year we look forward to the Landscape Queensland Construction Excellence Awards Gala Dinner. A chance to celebrate the year and recognise some fantastic landscaping projects. Landscape Queensland always put on a fantastic event with great food, plenty of laughs and a chance to meet with some of the industry's esteemed landscaping businesses and personnel. In our 18 years of operation here in Queensland, Landscape Solutions have been fortunate enough to have featured and won numerous Landscape Queensland Awards in both construction and maintenance categories. We are always grateful for the recognition we receive on the night which is a testament to the hard work and dedication of our staff who have successfully delivered these projects."

Luke Scott, Landscape Solutions (Qld)
